NEW YEARS EVE, SOFITEL
(CLIENT: OFFBROADWAY ENTERTAINMENT)

ASTERA AX10 SPOTMAX

Lighting - Wireless LED

**Astera AX3
Lightdrop**

Compact IP65 RGBW puck sized fixture with a 15W Cree LED, magnetic base and variety of filters

**Astera AX5
Triple-Par**

45W wireless PAR and uplighter with wireless DMX and multiple mounting options

**Astera AX10
SpotMax**

The brightest battery operated spotlight on the market, with 135W of power lasting up to 20 hours

**Astera Titan
Tube LED**

The ultimate LED tube for film and events, programmable with up to 16 pixels and ultra high colour rendering

**Astera Helios
Tube LED**

All the features of the popular Titan Tube in a smaller format

**Astera ART7
Wireless DMX**

Wireless DMX transmitter interface between Astera lights and controller

**Prolight
Smartbat**

Compact and discreet LED uplighter with 32W of power and silent operation

**Clay Paky
GlowUp**

Wireless, beautiful and adjustable, with 4 x 10W RGBW LEDs with varying beam angles

"TECHNICAL EVENTS SOLUTIONS"

NATIONAL DAY 2020 @ BEE'AH HQ
(CLIENT: PEOPLE LIVE LTD)

SGM P5

Lighting - LED

**iPix BB4
washlight**

Versatile and powerful 60cm LED batten, with homogenised colour mixing and only 120W consumption

**LED Parcan
RGBWA**

15 x 18W LEDs, each with red, blue, green, amber, white and UV diodes

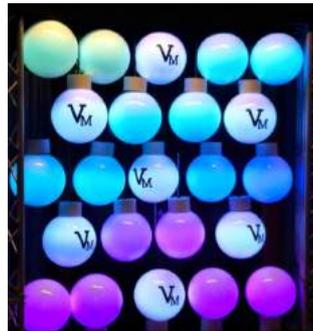

ADJ H²O LED

Compact 10W LED that simulates water flowing effects

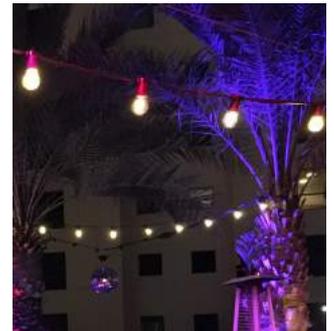

**SGM P-5 LED[#]
wash light**

IP65 rated workhorse with 44 high power 10W RGBW LEDs, complete with 21° and 43° lenses and barn doors

LED Spheres

40cm diameter DMX controlled RGB LED spheres, floor standing or hung

LED Festoon

Dimmable LED 4W lamps every 40cm with clear glass and rugged PVC cable

Lighting - Intelligent moving heads

Varilite VL3000S

6:1 zoom optics, CMY colour mixing and 1200W short arc lamp

Clay Paky Alphaspot 1200 HPE

1200W effects projector with 15°- 40° zoom, graphics system and colour filters

Clay Paky Alphawash 1200

Powerful 1200W washlight with CMY colour mixing and wide linear zoom

Martin Mac Aura # XB

An extra bright version of the award winning Aura, it features superior colour mixing and an optimized lens

Clay Paky Sharpy Profile

189W fast moving beam light with an impressive output of 60,000 lx at 20m

7000W Searchlights

Over 40 high powered searchlights capable of stunning aerial lighting displays

"TECHNICAL EVENTS SOLUTIONS"

DUBAI POLICE GRADUATION, COCA COLA ARENA
(CLIENT: SHOWTECH)

7000W SEARCHLIGHTS

Lighting - Control

MA Lighting Grand MA2 Full-size

MA Lighting's powerful console that offers the control of conventional light, moving lights, LED fixtures and media from one platform.

MA Lighting NPU

This network processing unit unites the calculation power in the network and can handle 4,096 parameters

High End Systems Road Hog 4

Features a huge 22" high-res multitouch display with four DMX universes and gigabit ports for networking

High End Systems[#] Road Hog 3

At just 17.5kg, this desk combines high performance with great value

High End Systems DP8000 processor

Adds an additional 8 universes to the Hog lighting control network

Avolites Pearl Tiger

Compact and functional lighting desk combining simplistic controls with advanced functions

Sunlight DMX

Stand alone laptop based DMX control interface

"TECHNICAL EVENTS SOLUTIONS"

HIGHEND SYSTEMS ROADHOG 4 

Lighting - Dimming

**Avolites ART2000
48-way dimmer**

Robust dimmer with 48 RCBO-protected channels as well as a hot power module substitution and system screen for programming and analytics

**Avolites Powercube
18way dimmer**

Complete dimming, mains and data distribution in one compact box

**Zero88 Rack 6
6 channel dimmer**

Economical 2U dimmer with 6 x 10A breakers, multiple dimmer curves and 12 memories.

**Zero88 Alphapack
3 channel dimmer**

Portable dimmer conveniently possible to hang in truss or on a wall, with local fader control as well as DMX.

**SRS DP3-5 single
channel dimmer**

Digital dimmer with 16A mini MCB weighing just 2kg

Conferencing - Simultaneous Interpretation

Audipack Silent 9300 interpreter booth

ISO-compliant two or three person interpreter booth with excellent sound isolation qualities

Multicaisse Congress interpreter booth

ISO-compliant two or three person interpreter booth with excellent sound isolation qualities

Shure CCU Central Control Unit

Fully digital distribution of 'floor' audio plus 31 interpretation channels

Shure AO6008 # Audio Output

Audio output unit outputs 8 floor or language channels to IR language distribution systems, recording, and web-streaming devices.

Shure MXCIC Interpreter desk

Interpreter console with 3 outgoing language channels, 8 relay channels, and color display. ISO 20109-compliant.

Shure IS6132 Interpreter desk

Portable interpreter unit offers 4 relay languages, 2 outgoing channels, support for 32 channels, and multiple interlock modes.

Shure DT6032 Digital IR Transmitter

Central modulator unit that can transmit up to 32 channels of crystal clear audio over infra-red light

Shure RA6025 IR radiator

Powerfully distributes reliable infra-red digital signals to wireless receivers

Shure DR6032 Digital IR receiver

Receives up to 32 channels of high quality digital audio over infra-red light

AUTOMATED CAMERA CONTROL SOFTWARE

**IISS
Manama
Dialogue**

**MANAMA DIALOGUE 2019
(CLIENT: IISS)**

**SHURE MXC640 CONFERENCE MICROPHONE
AND MXCSIGN DIGITAL NAMESIGN**

Conferencing - Discussion (wired)

Shure MXC640 touchscreen microphone

Touchscreen Conference Unit with integrated color touchscreen and ID card reader

Shure DC6990P touchscreen microphone

Touchscreen Conference Unit with integrated color touchscreen and ID card reader

Shure DC6190P microphone

Portable conference unit that features speak/function buttons, loudspeaker and two interpretation channel selectors.

Shure EX6010 Extension Unit

Extension power supply unit increases system capacity DCS 6000 / MXC Systems

Shure MXCSIGN digital name sign

Dual sided e-paper information display which identifies conference participants. Used with MXC, DCS 6000

SW6000 Conference Management Suite

Provides advanced configuration, control, management, and customization of conferences and meetings.

Camera Control Suite

Automatically recalls camera presets based on which microphone is active

Sony SRG360-SHE PTZ camera

Full HD remote cameras with streaming outputs and advance PTZ functions

Conferencing - Discussion (wireless)

Shure MXCW640 wireless microphone

Wireless Conference Unit configurable as Chairman, Delegate, Listener, or Ambient Microphone unit.

Shure MXCW-APT

Access Point for Microflex Complete Wireless conference system. Controls up to 125 MXCW640 wireless conference units.

Shure MXCW-NCS

Networked charging station for 10 MXCW lithium batteries

Shure MXW8 # wireless gooseneck

Wireless table microphone offers compatibility with Microflex Wireless systems and a stylish design to complement any conference setting.

Shure MXW2 handheld mic

Handheld microphone with SM58 capsule for presentation and conferencing applications.

Shure MXWAPT8 access point

8-channel wireless access point transceiver that assigns clean frequencies to wireless microphones for conferencing

TravelGuide Transmitter

15 channel audio transmitter commonly used for tours, interpretation and silent seminars

TravelGuide Receiver

Wireless RF receiver operating on licensed 863-865MHz with 15 channels of superb audio quality

FM Transmitter

50W licensed FM transmitter used for audio broadcast for various situations

"TECHNICAL EVENTS SOLUTIONS"

UNIDO, EMIRATES PALACE, ABU DHABI
(CLIENT: OP3)

**SHURE MXCW640 WIRELESS
CONFERENCE MICROPHONE**

Conferencing - Language Services

Simultaneous Interpreters

Professional conference interpreters that can translate the meeting dialogue in real-time

Consecutive Interpreters

Normally working on stage with the presenter, consecutive interpreters repeat the script paragraph by paragraph after the presenter

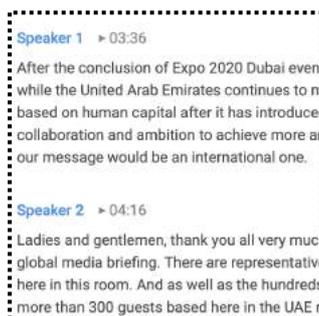

Liaison Interpreters

Popular with private meetings, interpreters sit with one or max two people and whisper the interpretation directly to their ears

Translation

Written translation of any language combination, charged per page of content.

Transcription

Creating a script of proceedings from an audio or video recording, post-event

Live captioning

Captioners create real-time text to screen by either typing into a stenotype machine with a phonetic keyboard or re-speaking what they hear into voice recognition software that they have specifically trained to their voice.

Subtitling

Adding captions in any language to a pre-recorded video file, provided in either .srt format or hard-coded into the video file

Audio - PA systems

TW Audio VERA 10A

Uncompromising sound quality as a flexible hung or ground stacked compact line array

TW Audio VERA S30

Two 15" woofers within an innovative enclosure providing base reflex within a horn-loaded subwoofer design

Powersoft K3 DSP amplifier

2-channel high performance power amplifier, combines excellent value with an attractive mix of features

HK Audio PR:O 10X

A versatile 10"/1" enclosure that can serve as a satellite, full range cabinet or a low-profile wedge

HK Audio PR:O 18S

Delivers a low-ranging base foundation from an 18" offer in a bass reflex housing

HK Audio VX2400 amplifier

Dual channel power amplifier featuring integrated protective and monitoring circuits

Mackie SRM450/650 self-powered speakers

Industry standard self-powered speakers suitable for a wide range of purposes

Mackie SRM1850 self-powered subs

1600W of intense power paired with a custom high-output 18" woofer

Audio - Microphones

Shure QLXD handheld / lapels

Digital wireless microphones cater for an all-round higher class of audio reproduction

Sennheiser EW112 handhelds and lapels

Quick set up and user friendly operation providing natural speech reproduction

DPA d:Fine Slim Dual Ear 4118 headset accessory

Accurate and natural voice intelligibility and high SPL capabilities that prevent any distortion

Shure SM57 # dynamic microphone

Cardioid dynamic instrument microphone offers clean reproduction of amplified and acoustic instruments.

Shure SM58 dynamic vocal microphone

The SM58 is known as the world's most popular performance microphone, also a very effective microphone for live streaming and podcasting

Shure SM81 condensor microphones

Uniform cardioid pickup pattern achieves maximum gain before feedback onstage, while offering excellent off-axis rejection in a myriad of applications.

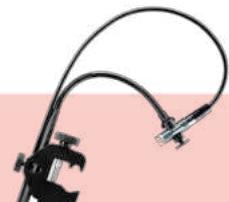

Shure MX418 18" gooseneck microphone

A fully adjustable cardioid gooseneck microphone designed for podium and desktop use in speech, presentations, conferences and more.

Shure Beta 52 drum microphone

Specially designed for all kinds of bass, from kick drums to bass guitars.

Shure Beta 98AD/ C miniature condensor mic

A cardioid condenser drum microphone and comes complete with the A98D drum mount which features a flexible gooseneck

Audio - Control / Recording

Midas M32R

Utilises award-winning Midas PRO Series microphone preamplifiers and the custom-designed Midas PRO motorised faders that are rated for 1 million life cycles

Midas DL32 stage box

Provides 32 **MIDAS** PRO Series remote-controllable mic preamps, plus 16 balanced analog XLR returns at the stage end

Yamaha LS6-16

The small size and lightweight of the LS9-16 make it a perfect choice for applications that require maximum portability and handling ease.

Mackie DL806

#

Combines the power of a full featured digital live sound mixer with the unmatched ease-of-use of an iPad

Mackie PROFX 8 V4

The ultimate solution for live, home recording, and content creators. With Onyx mic preamps that offer 60db of headroom, single-knob compression, and 24 built-in FX.

Zoom F8N 8 channel field recorder

A sound bag-friendly, multitrack field recorder with look-ahead limiters for distortion-free 24-bit audio, and up to 8-input / 10-track recording for a multitude of uses

Marantz PMD580 recorder

The perfect tool for professional installations requiring versatile, shock and condensation resistant, PC compatible audio recording and playback.

Pioneer CDJ2000 NEXUS

Industry standard digital turntables

Pioneer DJM900 NEXUS

Delivers excellent connectivity, up-to-date FX and mind-blowing features to make it the centrepiece of any professional DJ setup.

Video / LED Screens

32" - 65" LED screens

A variety of sizes of TV screens suitable for a multitude of uses

TV stands

Lightweight or heavy duty options suitable for our full range of LED TVs

Black Magic Design SDI/HDMI bi-directional convertors

Convert a single high-definition HDMI signal into two 3G-SDI signals for ensuring workflow compatibility in professional video environments

Black Magic Design Optical Fiber 12G-SDI mini convertors

Offers bidirectional, multi-rate SDI to optical fiber conversion capabilities with complete independence in each direction

Black Magic Design Production Studio 4K switcher

A live event multi camera production switcher with 8 individual Ultra HD inputs built into a 1RU chassis

Black Magic Design TV Studio HD switcher

Four of each HDMI and SDI inputs are available on the rear of the chassis, and both sets of inputs support SD and HD resolution signals

Absen 2.5mm PL Lite Series LED screen

2.5mm pitch indoor LED screen, suitable for curved or standard installation

Novastar VX6S scaler and screen controller

Using the Nova G4 engine, the VX6S supports resolution up to 1920a1cc1 1200@60Hz

Truss and Staging

Original Steeldeck 8' x 4'

Made in the UK, rated to bear weight of 2 tonnes per deck. Versatile and robust, available in a variety of sizes

Original Steeldeck 8' x 2'

Made in the UK, rated to bear weight of 2 tonnes per deck. Versatile and robust, available in a variety of sizes

Original Steeldeck 4' x 4'

Made in the UK, rated to bear weight of 2 tonnes per deck. Versatile and robust, available in a variety of sizes

Litec QX30S box truss

Square section aluminium truss twist-resistant version with 29 cm long sides

Litec QX30S 6M diameter circular truss

Square section aluminium truss twist-resistant version with 29 cm long sides

Litec QX30S 4M diameter circular truss

Square section aluminium truss twist-resistant version with 29 cm long sides

Stands and lifts

A variety of tripods, stands and lifts ranging from 2m Manfrotto stands to 6m Eurotruss winchers

Dutest chain hoists

Certified chain hoists with 10m chains, and 500kg load

Rigging accessories

A variety of accessories for any rigging requirement

"TECHNICAL EVENTS SOLUTIONS"

**MOTOROLA DP4400
TWO-WAY RADIOS**

Communication - Motorola two-way radios and Airbus TETRA radios

Motorola DP4400e two way radios

ETSI DMR Standards compliant digital two-way radios that delivers operation-critical voice and data communications

Spare batteries

Well maintained, annually analyzed with belt clips as standard

6-way chargers

Efficient charging without an abundance of wires

Remote Speaker mics

Clear audio with noise cancelling features combined with light weight efficiency

D-Shaped covert earpieces

Covert communication, sterilised inbetween hires

Noise cancelling headsets

Combat high-noise environments with active noise cancelling technology

Airbus TH9 TETRA radio

Long-range capabilities using TETRA technology

HDS-8 d-shaped earpiece for TH9

Covert communication, sterilised inbetween hires

Communication - Intercom systems

Clearcom Freespeak II base station

A five-channel, full-duplex wireless intercom solution, ideal for large-scale, complex designs or specialized applications

Clearcom Freespeak II Traneiver

Used with FSII base stations, beltacks and splitter to create large coverage zones

Clearcom Freespeak II wireless beltacks

1.9GHz digital wireless beltacks with 7kHz audio and a built-in flashlight

Clearcom DX410 base station

2-channel base station for DX410 beltacks and all-in-one wireless headsets.

Clearcom BP410 wireless beltacks

2.4GHz digital wireless beltack with 7kHz audio.

Clearcom MS702 base station

26 Two channel rackmount main station for analog partyline communication.

Clearcom RS701 wired beltacks

Two-channel analog beltacks with low-noise audio and shaped contour crystal clear audio, known as "The Clear-Com Sound".

Clearcom CC-300 headset

Single-ear standard headset with very high quality audio

"TECHNICAL EVENTS SOLUTIONS"

**CLEARCOM INTERCOM
SYSTEMS**

Special Effects

Martin Magnum 1800 smoke machine

A high-powered fogger suitable for any installation - from the largest to the smallest. Highly flexible, the 1800 is built sleek and rugged.

Jem Compact Hazer Pro

Robust yet small and lightweight, a versatile haze machine designed for the highly demanding professional market.

Jem AF-2 DMX fan

High-output fully DMX controllable fan, constructed from lightweight aluminum, weight has been limited to only 17.5 kg with the flying bracket installed

Magic FX Powershot

Compact shot unit to fire electric confetti and streamer cannons.

Electric confetti cartridges

Available in a multitude of colors and materials

Martin Rush strobe light

This bright and compact LED linear strobe utilises 99 x 3 W Cree XP-D LEDs with a reflector design that offers .
